1. Place the mouse over the **Your Account** tab, and then click on **Inventory Detail**.

2. Select the status of the inventory you want to view from the **Show Status** drop-down menu.
   - **All** – available, depleted, expired, and pending inventory
   - **Available** – what you can still use
   - **Expired** – what you didn’t use before it expired

3. From the **Account: Inventory Detail** you can take the following actions:
   - Post a job now
   - Buy Job Postings
   - Search Using Super Search
   - Search using your other Sites
   - Buy Resume Search
